

Last Week's Awards
Principal's Award: Matthew Fraser

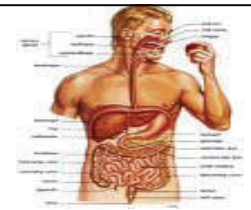

Last week was lots of fun. The weather was very kind and everything went as planned. A very scientific and sporty week. This Wednesday morning we will be holding our athletics day at the Harry James Park. The Middle school will be completing track events on Wednesday morning at the park and field events on Thursday morning at school. This week is Mr. Lewis's last week with us. We also have quite a few Room 7 students participating in the Ukelele festival this week-end at Mt. Smart stadium. This week's body focus is the heart. A big thank you to Anna Philip who is going to give us a closer look at an animal heart.
